

Under 8's Day

By Justine Miller

Roma State College Junior Campus hosted Under 8's Day on the last day of Term 2 and it was fantastic. There was a wide range of service providers in attendance, loads of games, activities and crafts for all the kids to do and tonnes of great tips and helpful advice on how to help children learn, grow and experience in their early years. The School staff provided a welcoming, inclusive and joyful environment for the whole community to be part of, and it was all completely free. If you have children under eight years old do not miss Under 8's Day at the Junior Campus next year.

Isla Allwood was overwhelmed by all the excitement at Under 8's Day

Face painting was very popular

Jordis and Violet Graham enjoy using a hammer and nails

Heather McKenzie dressed up for Under 8's day
