

KC Monuments

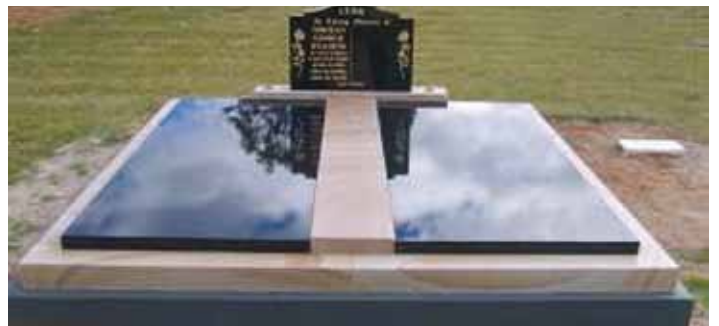

K.C. Monuments has been established for almost ten years. Its employees have over 18 years combined experience in the Monumental industry. Experience has been obtained using traditional stonemasonry techniques together with some of the most recent and advanced technology available to the industry, including but not limited to laser and CNC machining.

KC Monuments specialise in all forms of cemetery monuments, whether it be reverent full size traditional monuments, headstones or something as simple as a lawn plaque / marker. Working with the team at KC Monuments will make it easy for you to select the way you wish to remember your loved one. They work with you

to incorporate your ideas with their expertise.

The company prides itself on its prompt service, from first contact to final work completion, and our competitive pricing

The team travel extensively so no matter what area you are in, please contact them via phone or email to obtain further information and a no obligation free quote. They look forward to helping you with any enquiries you may have.
